

ELBA TIGERS AND WETUMPKA HI PLAY HARD 7-7 TIE GAME

**Game Was Hard Fought
and Well Played Until
Stopped by Rain Early In
Third Quarter; Played Tie
Game Last Year.**

In a hard-fought but cleanly played game, the Elba Tigers battled the strong Wetumpka High school football team to a 7-7 tie at Elba Field Friday afternoon. Hostilities were brought to an abrupt end early in the third period by a deluge of rain which had been threatening all during the contest. A good-sized crowd was present, but many were undoubtedly kept away by the intermittent showers which had been falling during the day.

The two teams were quite evenly matched, but everything present agreed that Elba outplayed the visitors at most every point, Wetumpka's scoring being the result of about as lucky a break as was ever seen on a football field. During the first period, Elba slowly but surely advanced the oval into the enemy's territory until at the close of the quarter the ball rested on Wetumpka's one-yard line.

When play was resumed, Lee, the Tigers' thirty little back, had little trouble in piercing the line for the necessary counter. A neat pass by Lee to Fountain, back of the Wetumpka goal line scored the extra point, and the score was 7 to 0. The way Elba's line was holding and the manner in which the visiting runners were being brought to earth by the Elba tacklers, there seemed to be little danger of any Wetumpka scoring, but then came the lucky break. Prior to this time all attempts by the visitors to gain ground via the aerial route had been neatly blocked by Elba, but right at this time a long pass was heaved from near mid-field. An Elba player knocked the ball away from the Wetumpka man waiting to receive it, but the oval was deflected into the hands of another visitor, who caught it near the ground and raced for a touchdown. A Wetumpka educated toe booted the pigskin between the goal posts for the tying count. It was a wonderful break for Wetumpka, but tough for Elba.

Neither team threatened to score during the remainder of the period, although the ball was in Wetumpka territory when the half whistle blew.

Soon after the kick-off in the second half, rain began to fall, so both teams engaged in a punting duel, in which neither side gained much advantage. The clouds soon went copiously and hostilities were called off to allow players and spectators to make a hurried run for shelter.

Couchman has accomplished wonders against overwhelming odds, and has built up a smooth-running football machine that is pleasing to behold. Some fifty trick plays were neatly executed by the Tigers Friday afternoon and the whole team functioned like clock-work. Elba fans who have been wondering about the ways and wherefores in regard to the win in which the supposedly "hot" players of Elba Tigers have been holding such teams as Troy and Dothan, can now understand that there was nothing fluky about the afore-mentioned games, but that Elba has a real football team, capable of coping with the best high school elevens in this section.

Spectacular runs by Fountain, Lee, Hornsby, Michel and Roberts thrilled the crowd, but the decisive tackling by the two Prescotts, Joe Morrow and Charles Hays, and the rest of the Tigers, along with the impregnable Elba line, was really the important feature of the game.

Wetumpka has a clean, well-balanced team of football warriors, and a more gentlemanly aggregation has never visited Elba Field. They play the game for all there is in it and are a worthy foe for any team in the association. However, it was the consensus of opinion that had the elements not interfered and the game could have gone to the finish, Elba would have eventually conquered, as the home boys were putting out a brand of football that was not to be denied.

The snake dance and other noisy demonstrations staged by the girls' "pep gang," under the leadership of Ethel Louise Mitchell, added zest to the occasion and spurred the Elba warriors to greater efforts.

Elba and Wetumpka played a no-score tie game here last year, so it would seem that it is not on the cards for either of these teams to be victors.

Such an exhibition of the college sport as was displayed at Elba Field Friday afternoon was very pleasing to everyone present, and deserves the support of all our citizens.

The Tigers go to Geneva tomorrow to play the strong high school team of that city. Friday, November 15, is an open date. The following Friday, a game is scheduled in Elba with the Pike County Hi team of Brundidge.

Elba Will Play At Dothan On Armistice Day

Ye gods and little fishes! How the fur will fly when those rejuvenated Elba Tigers go back to Dothan on Armistice Day and take up the battle where they left off two weeks ago!

On Friday, October 18, these same Tigers startled the Southeast Alabama football world by holding the Dothan giants to a scoreless tie. Although the Dothan warriors were said to outweigh the Elba pickin' artists by some 15 to 20 pounds to the man, the Tigers put up such a stonewall defense that heavier opponents were powerless to make any appreciable headway.

However, the big boys over in Houston are far from satisfied, and have hurled a challenge into the teeth of our gridlers which no self-respecting Tiger can put up with, so the defy has been accepted, with the result that the two teams will clash on the Dothan field on Armistice Day, November 11th.

A large representation of Elba football fans are expected to go to Dothan and root for the sharp-clawed little Tigers in the "David and Goliath" combat.

Five-Legged Calf Being Extensively Exhibited

A five-legged calf, otherwise normally developed, belonging to Gordon Mathis, is being exhibited at the various towns in this section of Alabama. Messrs. "Hub" Haire and John Jordan have the monopoly in charge and report that they have been doing a good business.

The freak of nature was shown in Elba three weeks ago under the auspices of the American Legion; at Opp the next Saturday for the benefit of the same organization, and last Saturday at Andalusia, sponsored by the Parent-Teacher Association.

The calf is a Coffee County product and is well worth seeing.

A boost for Elba is a boost for yourself.

THE ELBA CLIPPER

ELBA, ALABAMA, THURSDAY, NOVEMBER 7, 1929

Large Sweet Potatoes, And Many In A Hill

Mr. A. R. Rhodes, who lives on the east side of Pea River, 14 miles south of Elba, brought two fine specimens of the sweet potato family to The Clipper office last Saturday.

Mr. Rhodes stated that he had dug 150 bushels from one-half acre, and they are evidently no kin to the proverbial "small potatoes" and few in a hill, for they are "shoppers" and one hill produced 28 pounds. But the sad part of the story is that Mr. Rhodes reports that he can find no market for them. We would advise him and all other farmers interested in raising sweet potatoes to see Mr. J. M. Garrett or Mr. W. M. Ray and get lined up with the organization that is being formed to grow and ship this valuable product in our lots.

There is a good demand for sweet potatoes all over the United States and it is only a question of marketing them in a sensible manner and in sufficient quantity in order to make this a profitable crop.

The big yields of sweet potatoes, that Mr. Rhodes has secured, are in and sufficient quantity in order to make this a profitable crop.

Sweet Potatoes Grow Wild In Coffee County

Mr. E. C. Queen, living on the Opp highway, west of Elba, reports that while digging sweet potatoes in his patch Monday, he discovered a volunteer potato vine, and upon digging into the hill, took out two small mammoth potatoes that weighed seven pounds apiece. He did not weigh the several other smaller ones that were in the hill.

Opening Organ Recital At The Dothan Baptist Church

The large pipe organ now being installed in the First Baptist Church at Dothan is rapidly nearing completion and the opening recital will be given Friday night, November 8th, at 7:30 o'clock.

Lovers of good music from all over this territory are cordially invited to be present. The artist for the evening is Mr. L. C. Kennedy of Florida, Michigan and Pennsylvania. Mr. Kennedy is considered one of the greatest concert organists in the United States, and confines his programs to tuneful music that is well within the appreciation of the masses.

The organ was recently purchased from the Rudolph Wuritzer Co., North Tonawanda, N. Y., and is truly a wonder organ. It is also shipped to Dothan in two solid freight cars and has taken five weeks to install it. It contains nearly fifteen hundred pipes ranging in size from two feet in diameter and thirty-two feet long to as small as a broom straw and one half inch long. It contains also about one hundred and twenty miles of electric wiring, and is operated entirely by electricity. In addition to the pipes it also has Cathedral Chimes and Harp that lend dignity and majesty to its performance.

To hear this wonderful organ and this accomplished artist is an opportunity rarely afforded to the public, and the First Baptist Church looks forward with a great deal of pleasure in being host to its hundreds of friends throughout this section in the inauguration of its wonder organ—King of all instruments.

Attorney P. B. Trawcock returned Tuesday from a business trip to Birmingham, Tuscaloosa and other places.

Misses Johnnie Shealy, Fernel Harper and Mr. Henry D. Jones attended the Troy Fair last Thursday.

Mr. G. B. Bryant, of Americus, Ga., is the guest of relatives in Elba this week.

Mr. Donald Hammond returned to her home in Dothan Sunday after a visit to her mother, Mrs. Corrie Bryant.

Mr. and Mrs. W. E. Clements, of Pinckard, and Mr. B. C. Clements, of Atlanta, were guests of Mrs. Corrie Bryant Sunday.

"THE COW PEN"

A Corner To Be Used Exclusively For The Promotion Of Plan To Locate Better Cows In This County
BY W. M. BRUNSON

Well, the cow court went over with a bang. We certainly did have some fun on old Mose Daniels. He's a fine fellow and took the entire trial in the proper spirit, but we certainly did carry him high about his scrub bull. The Grand Jury surprised the entire court by returning bills against the judge, the sheriff and the deputy sheriff. The writer was acting as judge and of course I threw out the case against me as I could not try myself. The Grand Jury returned true bills against several citizens for owning scrub bulls, as follows: Mose Daniels, T. J. Plant, John Morris, A. C. Brunson, Dr. W. C. Braswell and possibly some others, but Mose Daniels was the only man tried. The jury found him guilty and placed a sentence on him which required that he dispose of the scrub bull which he has and that he get a good registered bull just as soon as possible and further recommending that he be placed in the custody of the county farm demonstration agent until he has complied with his sentence. The court sentenced him and he is now under the watchful care of Mr. W. M. Ray until he gets the good bull into the hill, took out two small mammoth potatoes that weighed seven pounds apiece. He did not weigh the several other smaller ones that were in the hill.

Next Thursday Last Day To Buy Automobile Tags

Automobile license tags cannot be bought after next Thursday, November 14th, without the purchaser having to pay a penalty. This license was due on the 1st day of October and is delinquent after the 14th. For the past few days the tag business has been pretty good, according to officials at the court house, but throughout the county there are several hundred persons who have not yet bought their tags.

On the last two or three days the officials are literally rushed to death, and frequently tag buyers have to wait several hours to get waited on. For that reason it would be a good idea for you to come in this week and get your tag, and avoid the last minute rush.

REV. AND MRS. FRANKLIN CELEBRATE 25th WEDDING

Rev. and Mrs. R. B. Franklin celebrated their 25th wedding anniversary at their home on last Wednesday evening.

The reception rooms were beautifully decorated with Autumn leaves, cypripediums and roses.

Misses Mildred Stephens and Hazel Blair greeted the guests at the door. Misses Wilma Abernathy and Ruby Folsom ushered them to the dining room, where punch and chicken sandwiches were served from specially appointed tables by Misses Evelyn Alfred, Lallie Harper, Fernel Harper and Carrie Vaughn. Miss Zedie Rowe presided at the registry.

Following the renewal of the marriage vows, Miss Hazel Blair played "Out of the Dust to You." Mrs. D. C. Barnard sang "I Love You Truly." As Lohengrin's wedding march was played by Misses Mildred Stephens and Ruby Folsom, entered, followed by little Mary Will Kendrick, who wore an attractive costume of pink and carried a basket of white rose petals, which she scattered in Mrs. Franklin's pathway. Next came Rev. and Mrs. Franklin, followed by a beautiful tribute to marriage, Rev. Mahan secured a renewal of the marriage vows and pledges on the part of Rev. and Mrs. Franklin. During the ceremony, "To a Wild Rose" was played softly.

The bride of 25 years wore a lovely blue velvet dress, trimmed with silver lace and rhinestones. She carried a shower bouquet of white rose buds and ferns.

Following the ceremony, Mrs. J. W. Kendrick read "A Woman's Question," "Smiling Through" was read by Miss Theodora Geiger, who played her own accompaniment. Mrs. Mercer Rowe sang "Parade Day."

After the program the guests enjoyed looking at the many handsome gifts, which were on display in the guest room.

The out of town guests were: Mrs. Luther Williams, of Sylacauga; Misses Cecil Franklin, of Goodwater; Dr. and Mrs. Mercer Rowe, of Gadsden; Rev. and Mrs. and Miss Eve Mahan, of Geneva, and Mr. and Mrs. J. M. Jackson, of Dothan.

T. E. L. CLASS GIVES DELIGHTFUL PARTY—The T. E. L. Class gave a party at the home of Mrs. D. J. Brooks last Friday afternoon. This affair was novel in every detail.

Soon after arrival the guests were given paper bags to fit their hands and told to shake hands until the bag was worn out. Mrs. J. W. Kendrick introduced each member of the class telling their chief characteristics, which she did in clever rhyme.

Mrs. W. F. Cooper had charge of the stunt hour. She gave to each guest a slip of paper, and asked them to pantomime what was written on that slip of paper until the rest of the party guessed what they were imitating. This afforded great fun.

Lines from familiar songs were given out and each lady sang her lines without accompaniment.

During the preceding week, members of this class had sent invitations to this party to friends in other towns and asked them to send a package not to exceed five in value. Quite a number of such packages had been received and were auctioned off by Miss Madge Page.

Delicious refreshments were served by Mrs. J. H. Armor and Mrs. W. J. White.

Mr. and Mrs. John Boneau visited in Dothan Sunday.

Mr. and Mrs. H. A. and Mr. and Mrs. Clem Peacock were called to Troy Monday on account of the illness of the Messers Peacock's mother.

Miss Vernona Mansel, of Opp was the weekend guest of Miss Elba Lee.

Elba Colored Hi Team To Play Greenville Here—The Elba Colored High School football team will play the team of the Lomax-Hannond College, of Greenville, at Elba on next Thursday, November 14th, at 3:30 p. m., according to announcement made the first of the week.

Arrangements have been made for the game to be played on the athletic field of the white school. The team from Greenville defeated the local colored boys last year and have to have help.

At the conclusion of Mr. Owens' talk and answers to inquiries, Chairman Garrett called for all those who intended to plant tobacco the coming season to give in their names and number of acres. Quite a number responded, but at the suggestion of County Demonstration Agent Ray, inasmuch as many farmers who might be interested in tobacco culture were not there.

'AMAZING' say feeders when the results of the eight months' dairy profits survey conducted by the Purina Mills. Figures were obtained on 276,003 cows fed hand mixtures, Purina, and 55 other commercial rations. Here's what they showed:

Yearly Profit per Cow
Average on hand mixed rations.....\$124.10
Average on 55 commercial rations.....128.70
Average on Purina Cow Chow.....164.25

The average Purina profit was \$19.80 per ton of feed more than on other commercial rations and \$27.04 more than on hand mixed rations.

On all other legal business days from October 1st to December 31st, we will be at offices in the Court House in Elba for the purpose of assessing and collecting taxes.

Taxes fall due on October 1st and become delinquent after December 31st, after which interest, and Collector and Assessor Fees will be charged to all that have not paid or assessed by this date.

All Tax Payers are urged to PAY and ASSESS their Taxes before January 1st, and save FEES and INTEREST. Poll taxes may be paid by those who so desire between October 1st and February 1st.

Assessment of Automobiles will be made at above places on said dates. Don't put off the assessments to last day as they become delinquent on the 15th day of November, 1929.

J. DUDLEY HEATH, Tax Collector

RELIEF that is REFRESHING

"We have used Theodor's Black Draught for years in our family. I can highly recommend it for colds and influenza. It gives me energy after a long day's work. I have used it for my children, and I give it to them. When my little girl gets bilious, or complains of headache, I give her a treatment of Theodor's Black Draught, and she is all right in a day or two. Sometimes when I have indigestion from improper eating, I take Theodor's Black Draught. I always feel fresh and have more energy after I have taken it." Mrs. E. E. Smith, 215 East First Street, Austin, Texas.

Black Draught

WOMEN who need a tonic should take BLACK DRAUGHT. It is over 50 years old.

GOOD ROADS PAY

It has long been argued by good roads enthusiasts that the building of permanent highways is the one enterprise on earth that pays its own way. Some recent investigations by the American Automobile Association tend to confirm this belief.

In a recent report that association declares that good roads have reduced the average automobile operation cost from 10 cents a mile to six and a half cent in the last five years.

Besides the saving in gasoline, good roads make possible a great saving in time and in wear and tear on cars and tires, at the same time providing greater comfort and safety.

It seems that the case for improved highways is pretty well established, and even the high gasoline taxes which are imposed in some states are borne without much complaint, when the proceeds are devoted entirely to road building.

A SILENT RECORD

In an era in which automobile deaths reach more than 25,000 each year, a record made in Texas during 1928 is worthy of wide and favorable comment.

The report of the railroad commission of that state, made a few days ago to Governor Moody, states that the public motor vehicles of Texas carried 4,744,867 passengers last year without a single fatal accident and without serious injury to any passenger.

In making this state, made a few days ago to Governor Moody, states that the public motor vehicles of Texas carried 4,744,867 passengers last year without a single fatal accident and without serious injury to any passenger.

This is a striking illustration of what may be accomplished through a proper regard for safety on the part of drivers. There ought to be more drivers of the Texas kind all over the United States.

NOTICE

STATE OF ALABAMA, COFFEE COUNTY.

In this case it being made to appear to the Register by affidavit of complainant's attorney that the Defendant is a non-resident of Alabama, and that the location of the Defendant is unknown, and further that the belief of said affidavit is true, the Court orders that the publication be made in the Elba Clipper, a newspaper published in Coffee County, once a week for four consecutive weeks, requiring the said Casey to plead, answer or demur to the Bill of Complaint by this cause by the 17th day of November, or in thirty days thereafter, under a decree Pro Confesso may be taken against Ed Casey.

Done at the City of Elba, Alabama, this 10th day of October, 1929.

L. R. CLARK, Registrar.
